# THE BIG LIE

GENESIS 3

Reflect:

Where do you find yourself in Genesis 3 right now? (Defending God's truth? Blaming others? Believing a lie? Bringing others along for the ride? Something else?)

In your groups:

What are the lies you're believing right now? (About God? About yourself, About the world, About your enemy)

What masks are you wearing? What are you trying to cover up? (Trying to fit in? Trying to make yourself appear better than you really are?)
